

Arrange for Performances

You can arrange to have performances in any combination for patriotic events, church activities, holidays, or other occasions. I will speak at churches, colleges, homes, retirement villages, nursing homes, businesses, or almost any other location. I will speak anywhere in the United States. The cost will differ depending on the situation.

Some say I should always be paid for what I do. While that is true in many situations, there are some causes that would require charity. Sometimes it would be sufficient to have saleable items available such as Memory Courses, Videos of Performances, Books, and other things; and that would pay my wages.

I live in Keller, Texas. In many situations transportation and lodging would need to be provided for out of town performances. I am free to travel anywhere during the week and on weekends.

Some people like to video my performances, and I welcome that. I only ask that I be given a copy of every event that is filmed or recorded. Do a good job making the video and it can be copied and sold on the website. You too, can sell the videos you make of my performances. I would just like to have an agreement with you that I could also make and sell copies, and that I and anyone performing with me would be paid royalties on copies you sell.

In order to know all that I do, and make arrangements for you and your friends to benefit, we need to communicate. Just e-mail MemoryManWes@aol.com and let me know what you would like to accomplish. The sky is the limit! I can do all things through Christ who strengthens me.

We can communicate by telephone too. I am hearing-impaired and I use a CapTel phone. That's a phone with captions; but not one that you have to type into. Just call the relay number: 1-877-243-2823 and at the prompt, punch in my number: 817-431-3980. Then speak with clarity, but not increased volume. I do not answer any calls that say "Unavailable" on the caller ID. It is always best to e-mail me first and let me know that you will be calling.

I look forward to performing for you and your friends.
